

VCE 2010 COURSE SELECTION

This form will provide the basis for allocating students to a VCE program for 2010. It should represent your selection of subjects for VCE 2010, conditional upon final blocking of subjects and the requirement to meet minimum class sizes. Choices may include a VET subject, or a LOTE subject completed outside of the college.

Note: This is the only opportunity you will have to select subjects for next year.

Please consider thoughtfully your preferences including the additional preference.

This form must be signed by a parent/guardian.

All students will receive their program for 2010 prior to their individual interviews in September. Any students whose preferences could not be allocated, will be contacted by the Senior School Assistant Principal.

Students who do not complete this form will not have a VCE program for 2010.

Forms not signed by parent or guardian will not be accepted.

All forms must be completed, signed and returned by Tuesday 4 August 2009 to the Senior School Office.

No forms will be accepted before Tuesday 28 July as important tertiary prerequisite information will not be available until Monday 27 July.
