We have developed an Equity Policy to operate alongside our 1:1 Device Policy. The Equity Policy outlines a number of strategies the school may take, in consultation with you, to ensure access to 1:1 devices. If you are concerned about the costs associated with the 1:1 device program, you can apply for consideration through the Registrar, registrar@brightonsc.vic.edu.au.

If you have any questions or queries, please contact our staff at byod@brightonsc.vic.edu.au.
