FlexiSchools streamlines the payment, ordering and processing of purchases - right across your school campus. With minimal cost, your school can remove cash, reduce staff workloads, and provide parents with the convenience of online ordering.

Parents use the FlexiSchools website to create and manage their students’ accounts, as well as place online orders for a wide range of school activities such as canteen, uniforms, events, excursions, fundraisers and fees. Parents can also enable their students’ cards for on-campus purchases, and monitor the cards’ usage online. The benefits of FlexiSchools include:

- Campus-wide Application – Connects parents to your school, outsourced or P&F-run facilities and services
- Fully-hosted – FlexiSchools manages all the technology and support functions
- Support - Award-winning customer service
- Integration – Connects to your existing systems and technology
- Reputation - An e-commerce partner with a strong reputation for professionalism and reliability
- Future Proof - Will evolve with the changing requirements of the school into the future

FLEXISCHOOLS TIPS FOR PARENTS

Common Errors

- Using the letter O instead of the number 0 (zero)
- Not entering enough 0’s (GAT001 instead of GAT0001)
- Entering the number on the reverse (incorrect) of the card instead of the student ID number (correct) from the front
- Registering the student but not registering their card or attaching the card to the student
